

Celebrate the graduates in your life with these beautiful graduation cards!

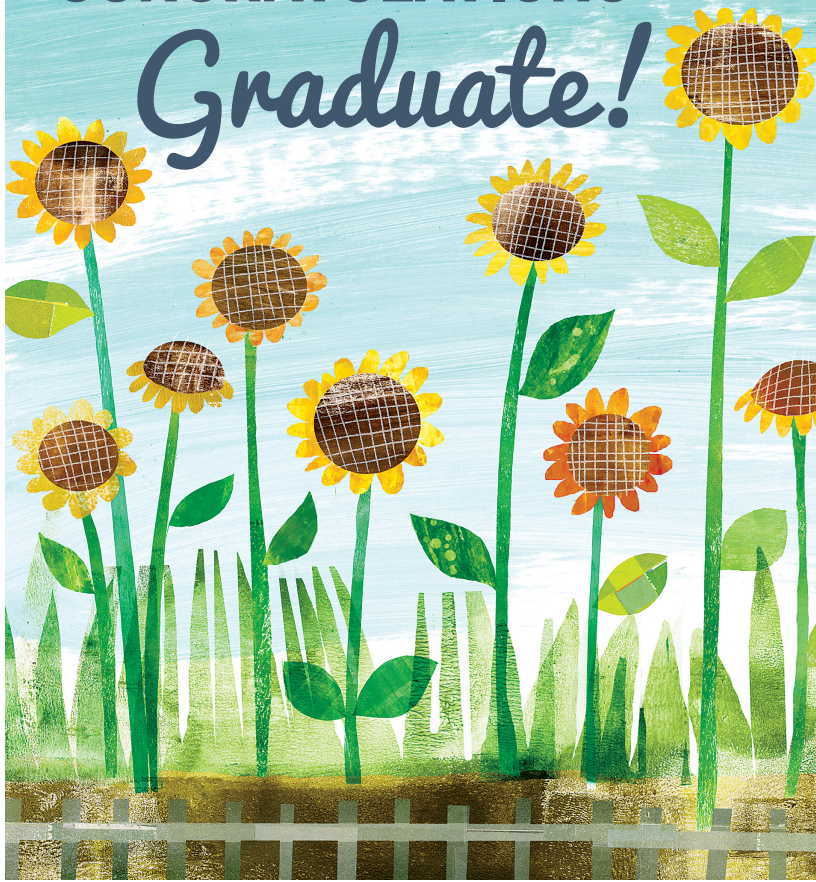

To print out an assortment of Cricket graduation cards follow the instructions below. Two different cards will print on each page.

1. Insert the correct paper into your printer. Cardstock paper will help your cards look and feel their best.
2. Print pages 2 and 3. This will result in graduation cards that are blank inside. If you want to keep them blank inside, just cut down the dotted lines, add your personalized note, fold, and send!
3. If you would like to add the greeting, place the same paper back in the printer so that the blank side will be printed on.
4. Print pages 4 and 5.
5. Cut out each card, fold them in half, add your greeting, and send to your favorite graduates.
